Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and in many instances, release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there is a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Taste Buds is a weekly half-hour series for children aged 13-16 that encourages them to think about what they eat, be creative in the kitchen, and explore foods from the world around them. Viewers learn and laugh as the hosts cook up age-appropriate recipes and go on fun food adventures. With a group of young hosts who are culinary explorers, viewers will delve into the culture, history, science, and art behind the food. Each episode explores a new food theme, beginning with the simple phrase, Foods that...and rounding off with the hosts creating and customizing theme-inspired recipes that kids and parents will want to make together. Taste Buds communicates a positive message about healthy eating, kitchen safety, and environmental responsibility.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids Adventures is designed and produced to educate children aged 13-16 about the importance of protecting aquatic environments and the animals that live in marine habitats. This weekly half-hour series strives to show teens that with a little dedication and the right attitude, they have the ability to make a difference within their own communities. In each episode, Host Molly and the Aqua Kids crew travel the globe while sharing their adventures and what they learn about preserving a world for everyone to explore. Whether it's saving sea turtles or participating in a beach cleanup, the Aqua Kids demonstrate the real and lasting contribution children can make in protecting the future of their community and the world.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Green Screen Adventures presents stories and drawings by elementary school students from 2nd through 8th grade. School administrators, classroom teachers, and families can submit students' works. Our creative cast of improve actors makes the writing come to life using story theatre, game shows, and puppetry. The program educational goals are to encourage children to be enthusiastic about writing and reading; help students build a foundation for writing, critical thinking, and problem solving; to promote character development as the diverse cast demonstrates cooperation and mutual respect; and to provide educators with innovative and entertaining ways to teach their students.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	With its travelogue format, compelling backstories, and upbeat young narrator, Travel Thru History entices young people to learn more about American history. The various episodes focus on American cities and vacation destinations that have more than natural beauty and theme parks to offer. The series uses beautiful photography and brief well-edited interviews with curators and other on-site authorities, as well as graphics, vintage photos, and film footage to set a pace that will keep a busy young mind engaged. The episodes appeal both to wanderlust and to curiosity about the past and its implications for the future. History is presented as a story of people one would like to have met, not a dry recitation of facts and figures, thus moving the thoughtful student out of the classroom and into the world.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Edgemont is a television program designed for middle and high school students aged 13-16 years-old and is rated TV-PG. The series depicts the everyday lives of teenagers in the fictitious suburban town of Edgemont. Each 30-minute episode generally focuses on the children's activities at AC McKinley Secondary School. Edgemont is designed to entertain its core teen audience and also to inform and educate its viewers about issues that arise in school and at home. The storylines focus on social and emotional challenges faced by all secondary school students, from forming and maintaining family, friendship and romantic relationships, to ethical and moral choices. The objective of the series is to demonstrate models of behavior for teen viewers, allowing them to consider choices that they themselves may face, to witness the potential outcomes of these choices and gain positive tools that they can use to resolve issues and conflicts in a constructive way.

Program Title	Sea Rescue w/Sam Champion/digital only
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 10:30AM-11:00AM/13.1
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and in many instances, release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there is a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Program Title	Travel Thru History/digital only
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 9:00AM-9:30AM/13.3
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	With its travelogue format, compelling backstories, and upbeat young narrator, Travel Thru History entices young people to learn more about American history. The various episodes focus on American cities and vacation destinations that have more than natural beauty and theme parks to offer. The series uses beautiful photography and brief well-edited interviews with curators and other on-site authorities, as well as graphics, vintage photos, and film footage to set a pace that will keep a busy young mind engaged. The episodes appeal both to wanderlust and to curiosity about the past and its implications for the future. History is presented as a story of people one would like to have met, not a dry recitation of facts and figures, thus moving the thoughtful student out of the classroom and into the world.

Program Title	Edgemont/digital only
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 10:30AM-11:00AM/13.3
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Edgemont is a television program designed for middle and high school students aged 13-16 years-old and is rated TV-PG. The series depicts the everyday lives of teenagers in the fictitious suburban town of Edgemont. Each 30-minute episode generally focuses on the childrens activities at AC McKinley Secondary School. Edgemont is designed to entertain its core teen audience and also to inform and educate its viewers about issues that arise in school and at home. The storylines focus on social and emotional challenges faced by all secondary school students, from forming and maintaining family, friendship and romantic relationships, to ethical and moral choices. The objective of the series is to demonstrate models of behavior for teen viewers, allowing them to consider choices that they themselves may face, to witness the potential outcomes of these choices and gain positive tools that they can use to resolve issues and conflicts in a constructive way.
