Length of Program	30 mins
Age of Target Child Audience	9 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
