Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The goal of Dr. Wonder's Workshop is to teach positive values and life skills to children, both deaf and hearing, and to show them how the Bible is relevant for their lives. Each episode has a theme, such as being fair, respecting others, trusting God, obedience, honesty and learning to share. The program is set in the small inventor's lab of Dr. Leward Wonder, a Christian Deaf engineer. The lab is just down the street from The Finger Food Cafe. Dr. Wonder and his team of highly creative deaf friends, including Pops (the animatronics puppet), create amazing inventions and, in the process, learn more about God and each other. In addition to the scenes in the lab, each episode also has a Bible story, an object lesson, a segment called "Real Kids," where children answer questions related to the theme, and an original song written and produced by Marshall Lawrence of Silent Blessings and performed in ASL by the Ameslan Kids.
