Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Horseland is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
