Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome memvers in the homes of fmailies is both educational and inspirational encouraging this demographic to bvecome sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is sepcifically sesinged to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in teh Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program offers teens an opportunity to view everyday people - regardless of age, sex, occupation or education - stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. In addition, the program includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program seeks to encourage young viewers to increase their sensitivity and awareness, in order to refine their own moral compass. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, Dr. Chris Pet Vet allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opprotunities to understand the chanllenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a veiw into careers in and responsibility for taking care of pets, but also into probem solving strategies and behaviors. The program is specifically desinged to further the educational and information needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	With its travelogue format, compelling backstories and upbeat young narrator, the Travel Thru History series entices young adults to learn more about American history. The various episodes focus on American cities and vacation destinations that have more than natural beauty and theme parks to offer. The series uses beautiful photography and brief well-edited interviews with curators and other onsite authorities, as well as graphics, vintage photos, and film footage, to set a pace that will keep a busy young mind engaged. Viewers will be taken on an educational "field trip" to areas throughout the United States. It is designed to spark interest and enthusiasm, for the rich history that surrounds the United States. It will take them to places they may never have thought to go, or might not have known even existed.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DogTown, USA is a story of the men and women who devote their lives to the healing and happiness of dogs - from every corner of the nation. Built on 33,000 acres of pristine land in Utah, DogTown, USA is the nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Each week, DogTown, USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Then, "DogTown, USA's" medical professionals provide unique personal care to each dog, beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. DogTown, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. DogTown, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. DogTown, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Save Our Shelter is a series focusing on the "rescue" of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13 -16 years old, Save Our Shelter will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. Save Our Shelter will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life. The purpose of this letter is to provide television stations with certified documentation that the producers of the Save Our Shelter series design the program to educate and inform children 13-16 of age. Litton Entertainment is the producer of the Save Our Shelter series. This is a live action, half-hour television program designed to meet the education and informational needs of children. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series by author and illustrator Bob Kolar, is set on a space station in an unknown solar system. The station is populated by five animal characters and one three-eyed octopus of unknown derivation. Each episode begins with an everyday conversation or incident that grows into a predicament of some sort needing a solution. While these predicaments take place on a space station populated by animal characters and aliens from different galaxies, the issues and resolutions resonate for a preschool audience. Through comedy and zippy action, our target audience sees how the characters learn lessons for practical living such as how to keep track of things that belong to you, practice good habits, clean up a space when you have made a mess, rebound from a failure or an embarrassing incident, or resist the urge to blame others for your mistakes.

Length of Program		30 mins
Age of Target Child Audience		2 years to 5 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus, a gymnast/athlete prepared to answer any call for help, comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities including playing games, competing athletically, and even building forts and play structures.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.		Earth to Luna! follows the adventures of a little girl who's completely, undeniably and passionately into just one thing: science. For Luna, a six-year-old girl, the earth is a giant laboratory and she dives into every new experience with boundless energy and enthusiasm along with her little brother Jupiter and pet ferret Clive. What most of us ignore, Luna notices and cannot rest until she is able to answer the question, "Why is this happening?" There is nothing Luna won't do to find the answers to her scientific questions.

Length of Program	30 mins
Age of Target Child Audience	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Clangers, a beloved British series originally launched in 1969 by its writer, narrator and animator, Oliver Postgate, returns to broadcast television under the stewardship of Postgate's, son, Daniel. All of the features of the original series have been retained but updated to 21st century colors and materials. The main characters are the Clanger family, a group of pink knitted mouse-like creatures who walk upright: Mother, Major (who is father), Small and Tiny (the children) and Granny. Clanger Planet is small enough to walk its circumference and also riddled with caves and tunnels that house the family and their friends: the Soup Dragon and her baby, the three Froglets, and a group of singing flowers. Contextual features and characters include a sideways lake, singing trees, a cloud that has emotions, flying "cows" and the Iron Chicken who lives in a nest of harvested metal parts from the detritus of outer space. The tone is existential- each day presents its own story-which is usually happily resolved by one of the children or another family member. The series is fittingly narrated by William Shatner (Captain Kirk from the Star Trek television series).

Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Tree Fu Tom, is a live action/animated series about a little boy who lives in a rural area and has a rich fantasy life in the woods behind his home. Tom uses specific movements to summon up magic powers that permit him to morph into an animated hero and fly around in Treetopolis, the fantasy version of his woods. While in Treetopolis, Tom and his friends, Ariella, Twigs, Squirmturn and Zigzoo will invariably run into a problem or disaster that needs fixing. Tom calls upon the audience to practice original dance moves that will bring him "Big World" magic so he and his friends can resolve their challenge of the day. Educational messages reinforce positive socio-emotional content, with examples that model: being loyal to good friends, knowing how to ask for help, doing the right thing instead of what is convenient, making the effort to share rather than being selfish, or relying on teamwork in order to accomplish a goal.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Laura McKenzie's Traveler would be an invaluable addition to the core programming element of any broadcast network. This in-depth high definition travel show offers entertaining, safe, educational and information programming appropriate for general audiences of all ages, including children under the age of 16. Laura McKenzie's Traveler provides an educational journey to significant destinations around the world. Children are being engaged and inspired as they see the value in exploring rich new cultures and heritages. This is a television program that educates and inspires with several educational components built into the fabric of the program that would qualify it as an effective and an engaging teaching aid for use in the home, classroom and or social context and environment, arts and entertainment, types of government, interviews with political leaders, current modes of transportation, indigenous foods and drink, culinary options, architecture, currency, national customs, national languages, trivia and travel tips. Thus furthers the educational and informational needs of children between 13 and 16.

Save Our Shelter is a series focusing on the "rescue" of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13 -16 years old, Save Our Shelter will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. Save Our Shelter will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life. The purpose of this letter is to provide television stations with certified documentation that the producers of the Save Our Shelter series design the program to educate and inform children 13-16 of age. Litton Entertainment is the producer of the Save Our Shelter series. This is a live action, half-hour television program designed to meet the education and informational needs of children. Save Our Shelter is produced for ages 13 -16 and will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well equipped home is essential for a pets healthy lifestyle. The series will focus on the rescue of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a facade will ultimately result in more adoptions and more lives saved. Information about caring for pets, as well as traits that are unique to specific breeds. In order for parents, children, and listing services to clearly identify the programs as ones that fulfill the FCC programming requirements that meet children's educational television needs, each episode is closed-captioned and includes an E/I icon for the duration of the program with the recommended parental rating icon typically, if not always, TV-G

Program Title	Astro Blast (WRGX)
Origination	Network
Days/Times Program Regularly Scheduled	Saturday 9:30a-10:00a
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Astroblast follows the adventures of a crew of space animals who run the Astroblast Space Station the coolest hangout in the galaxy. The team of animals who run it are the best of friends, comet, Halley, Sputnik, Radar and jet. All under the watchful eye of Sal the Octopus. But when you stick five friends with very different personalities in one place, things are bound to get messy. Through it all, the Astroblast crew accept their differences, help one another, make new friends, and discover that getting along is always out of this world. Everyday brings a new adventure big and small whether it involves getting ready for a surprise birthday party for a Gremulon princess, dealing with demanding dairy obsessed customers from the Milky Way, making peace between two spaceships of hungry space pirates, or helping a scary looking but shy visitor make friends when no one will sit with him at lunch. Astorblast is a Sprout original series that is co=produced with Scholastic Media, a division of Scholastic Inc the global children's publishing, education and media company. Astroblast is inspired by the books of the same name by award-winning author and illustrator Bob Kolar.

Program Title	Lazy Town (WRGX)
Origination	Network
Days/Times Program Regularly Scheduled	Saturday 10:30a-11:00
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus, a gymnast/athlete prepared to answer any call for help, comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities including playing games, competing athletically, and even building forts and play structures.

Program Title	Clangers(WRGX)
Origination	Network
Days/Times Program Regularly Scheduled	Saturday 10:00a-10:30a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Clangers, a beloved British series originally launched in 1969 by its writer, narrator and animator, Oliver Postgate, returns to broadcast television under the stewardship of Postgate's, son, Daniel. All of the features of the original series have been retained but updated to 21st century colors and materials. The main characters are the Clanger family, a group of pink knitted mouse-like creatures who walk upright: Mother, Major (who is father), Small and Tiny (the children) and Granny. Clanger Planet is small enough to walk its circumference and also riddled with caves and tunnels that house the family and their friends: the Soup Dragon and her baby, the three Froglets, and a group of singing flowers. Contextual features and characters include a sideways lake, singing trees, a cloud that has emotions, flying "cows" and the Iron Chicken who lives in a nest of harvested metal parts from the detritus of outer space. The tone is existential- each day presents its own story-which is usually happily resolved by one of the children or another family member. The series is fittingly narrated by William Shatner (Captain Kirk from the Star Trek television series).

Program Title	Laura McKenzie (WTVY/GTVY/ETVY/WRGX filler)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday and Sunday (OTO filler)
Total times aired at regularly scheduled time	5
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Laura McKenzie's Traveler would be an invaluable addition to the core programming element of any broadcast network. This in-depth high definition travel show offers entertaining, safe, educational and information programming appropriate for general audiences of all ages, including children under the age of 16. Laura McKenzie's Traveler provides an educational journey to significant destinations around the world. Children are being engaged and inspired as they see the value in exploring rich new cultures and heritages. This is a television program that educates and inspires with several educational components built into the fabric of the program that would qualify it as an effective and an engaging teaching aid for use in the home, classroom and or social context and environment, arts and entertainment, types of government, interviews with political leaders, current modes of transportation, indigenous foods and drink, culinary options, architecture, currency, national customs, national languages, trivia and travel tips. Thus furthers the educational and informational needs of children between 13 and 16.
