Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The goal of Dance Revolution is to teach and promote dance as a means of exercise and an avenue to good health for 10 - 12 year-olds. Obesity and overweight have become a significant problem for American youth. The American Obesity Association estimates that in excess of 17% of all U.S. children and adolescents are overweight. Clearly sedentary lifestyle is one of the problems. We need to find ways to increase physical activity among young people. This series combines the popular appeal of Hip-hop dance, the proven attraction of a talent contest, and some of the messaging techniques of contemporary web-sites (e.g., pop-ups, scrolling messages, etc.), to teach dance and to encourage young viewers to get up and move.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The general learning goal and discrete educational objectives are fully integrated with the story-line, characters and settings that make up "Magi Nation". By focusing on the thrilling adventures of Tony and Edyn and the other forces for good in their battle with evil, the series provides young viewers with a non-threatening arena from which to observe and learn from the actions of others. Learning is attractive, natural and becomes part of the overall excitement of the series.
