Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program brings information about the world of animals to viewers in a non-didactic, entertaining way. Its approach in no way diminishes the learning that takes place when observations lead to conclusions - and young minds will draw many conclusions about the natural world shown in this series. These conclusions are consistent with nationally published curriculum goals in the natural sciences. The program consists of original and detailed footage of animals, a narration, and a charming musical score.
