Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22-year-old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought with Claire Thomas. Each weekly-half hour episode, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13- to 16-year- old viewers by sharing stories in the kitchen that demonstrate her passion for her family, life, and healthy living. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, sometimes even from bloggers seeking her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. This program meets the definition of "core programming" because 1)it will serve the educational and informational needs of children ages 16 and under; 2)it will air between 7:00am and 10pm; 3)it will be regulary scheduled on Saturdays; 4)it will be 30:00 in length; 5)it will displays the E/I symbol throughout the program; 6)the educational/informational objective and target child audience for this program will be provided to program guide publishers.
