Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series consists of stories of young achievers filmed all over the U.S., introduced by celebrities in their field of talent. Youth profiled in the program show their adoptions of pro-social values and principles that have become the ethos of their behavior. Thus the characteristics demonstrated by the stories of these youth give rise to adherence to these sound choices that have given them "the real winning edge". The Real Winning Edge promotes the values through these very engagin positive youth role models. The celebrities involved in the program reinforce these values by calling attention to these youths' qualities as they are exhibited in the program.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. Tree Fu Tom follows the adventures of Tom a boy who straps on a power belt and through the power of movement magic called 'Tree Fu', can transform into a tiny, mighty magical superhero and travel to a wondrous enchanted kingdom called Treetopolis that exists inside a tree in his back garden. Tree Fu Tom encourages viewers to be active by jumping, making physical moves and saying specific words to "send the magic" to Tom. Tree Fu Tom combines its innovative elements of heroic action, fantasy and magic, coupled with unique interactive physical activity. All of the Tree Fu movements are developed from therapeutic techniques used to help children with movement disorders, and they are also designed to enhance the development of all children at a crucial time in their growth.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

"Real Life 101" presents real people pursuing real jobs and careers in an educational and informational format designed to help its viewers make important decisions about preparing for the future. The careers and people featured are carefully selected in order to present vivid impressions that can be used by the series' young audience. A study conducted by The Annenberg Public Policy Center of the University of Pennsylvania concerning the implementation of the FCC processing guideline known as the Three-Hour Rule found that "Real Life 101" was highly educational. The series is currently being provided to schools and libraries across the USA by one of the nation's quality educational distributors.

Total times aired at regularly scheduled time 13

Length of Program 30 mins

Age of Target Child Audience from 13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Ultimate Choice" provides an opportunity for its young viewers to learn more about themselves and their lives, as well as to develop their own convictions about each of the moral issues explored and discussed on this television series. In each episode presents the teens a heart stopping extreme adventure along with an opportunity to discuss that experience and its application to major real life issues. Each of the episodes within these series brought them face-to-face with challenges that have lifelong implications; they shared thoughts that are designed to shape the values that will guide young men and women throughout their lives. Issues discussed include: Drugs; Compromise; Resolving Conflict; Teamwork; Fear; and Self Control.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Animal Atlas" continues to make nature and the animal world entertaining and enlightening. The series uses humor, natural visuals, and an everyday attitude to reach the minds of its target group of 13-16-year olds. Without pandering, pontificating, or watering down material, it broadens the knowledge and perspective of young viewers through a friendly and fascinating presentation of information about the animal world. Those viewers that want deep information will find it here but those that just want to be entertained by well-assembled sequences of unusual animals and interesting facts will get that, too.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Safari Tracks is a program with content grounded in the natural world and delivered using an approach that, while entertaining to a young audience, highlights the informational and educational aspects of the animal kingdom in the given environment of Africa. There is no question that an audience of young people would gain worthwhile information and concepts delivered with an enlightened attitude toward nature and the environment. Viewers receive topic points that help build the ethical decision-making necessary to becoming a citizen of the planet.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is a national weekly program that is informative, educational and entertaining! The show has been on the air since 2003, and given how many people watch it and love it, the show will be on forever! Teen Kids News (TKN) highlights positive stories about kids doing amazing things and helping to make the world a better place. In addition, the TKN reporters on the show (who are, of course, all kids!) report on everything that is fun or interesting or important about our world. These stories range from kids who fly planes to how to deal with bullying to the best way to throw a baseball for power, to tips on getting into college to making friends to behind the scenes with entertainers.
