"Willa's Wild Life" is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa's Wild Life lives at home with her father and pets - an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa's Wild Life faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa's Wild Life works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa's Wild Life figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Network preemptions for sports programming during our morning children's block has a greater impact on stations in the Alaska time zone than in the lower 48 states. The preempted children's programs always air in their entirety in the order in which they are scheduled by NBC in the same sequence as at their regularly-scheduled times, except they are aired following the sports program that preempted the children's block. There have been some instances in which one or more programs have been rescheduled to Sunday due to the length of live NBC sports on Saturday. The licensee announces to check their local listings for the new times. This has been a consistent practice of the station so that viewers will know when to expect to view the children's programming that is preempted by sports. The More You Know's website (www.nbc.com/tmyk) features video and scripts from the award-winning public service announcements, referral information for the organizations referenced in the PSA's, a general campaign overview, and educational materials produced in connection with NBC programming. The site also includes a list of the campaign's most recent accolades. Chena Broadcasting LLC closed on the purchase of KTVF on March 8, 2012. Information on this report relating to the period prior to the closing date is provided for convenience only and cannot be deemed certified by the new licensee.

The quiet time always turns into a discussion that results in a dream-like adventure to solve a problem, such as overcoming shyness, making a new friend, or dealing with a bully. The adventure takes place in several nighttime dream locales where special friends help them work through the socio-emotional problem of the day. Specific approaches to managing the problem are demonstrated and practiced during the adventure, and the children return home confident, getting ample rest for today and facing their issues tomorrow.

Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Wiggles is a musical variety show specifically designed for pre-school children. Starring Tony, Murray, Greg and Jeff, the Wiggles offers a montage of skits that are specifically designed for teaching and entertaining the preschool audience. Supported by an ensemble of characters, larger than life animals (humans dressed as animal characters) and a pirate, Captain Feathersword, the Wiggles teach numbers, letters, colors, matching and classifying what belongs together(or not), and following directions. There's dancing, occasional guest artists, and lots of visual interest for the viewer, while the lessons are broken down into easily understandable elements for the preschool child.
