Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teaching kids about fiscal responsibility at a young age is important. And what better way to have the young'uns remember what they learned than using animated superheroes to teach the lessons? That's where the Centsables come into play. The Centsables are a group of friendly bankers by day and superheroes by night, dispatching villains and rescuing people from financial traps. The group is made up of investment counselor Hamilton, bank tellers Franklin and Penny, bank greeter Suzy B and security guards Grant and Jackson (notice a theme with their names?). When transformed into their alter egos, they acquire superpowers that include superspeed, the ability to control water, becoming a giant, and being able to command the wind. The series is based on comic books that first featured the characters.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Now Eat This! with Rocco Dispirito is a different version of a cooking show - different in that the emphasis is on families and chaning a family's behavior and cooking culture with the goal of making the family's kids healthier. Families with children or families who want to change their calorie intake habits with the result of greater over all health are well served to watch the program. There are plenty of numbers and nutritional facts to accompany each family's nutritional makeover and the appeal to the 13-16 year old audience lies in the immediate nature of food and the drive of curiosity to the smarter and better informed.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

And what better way to have the young'uns remember what they learned than using animated superheroes to teach the lessons? That's where the Centsables come into play. The Centsables are a group of friendly bankers by day and superheroes by night, dispatching villains and rescuing people from financial traps. The group is made up of investment counselor Hamilton, bank tellers Franklin and Penny, bank greeter Suzy B and security guards Grant and Jackson (notice a theme with their names?). When transformed into their alter egos, they acquire superpowers that include superspeed, the ability to control water, becoming a giant, and being able to command the wind. The series is based on comic books that first featured the characters.
