Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program offers teens an opportunity to view everyday people - regardless of age, sex, occupation or education - stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. In addition, the program includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program seeks to encourage young viewers to increase their sensitivity and awareness, in order to refine their own moral compass. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas is an educational and informative half-hour, E/I program that travels the globe to meet every kind of animal imaginable, from the familiar to the astounding. Each episode takes young viewers on a journey through the animal kingdom to learn about the lives, history, and varying adaptations that allow animals to survive and thrive in the wild. The series strives to present a wide variety of information in a number of interactive and poignant sequences to make knowledge of the animal kingdom both simpler and easier to remember. It's through this engaging information and rich visual content that allows viewers to better understand and appreciate the animal world around them. Program Producer verifies that they follow guidelines as outlined by the FCC in order for this program to be classified as an FCC Children's Television Educational/Informational Program for kids primarily up to age 16.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Calling Dr. Pol is a half-hour series that explores the fascinating occupation of veterinary medicine. Designed to educate and inform viewers aged 13-16 and the entire family this inspiring series invites viewers to share in the experiences of Dr. Pol. An enthusiastic and naturally-inclined and well-rounded scholar, Dr. Pol has been practicing veterinary medicine for over 35 years. Caring for more than 19,000 patients, Dr. Pol has seen it all. Specializing in large farm animals, Dr. Pol, his family and veterinary staff also care for animals of all shapes and sizes. Each week audiences will have a chance to understand the challenges and rewards of this fulfilling profession and learn that the work doesn't end at the clinic; Dr. Pol often takes his talents to the road by helping sick or injured animals on neighboring farms and ranches. With the added benefit of Dr. Pol's expert analysis and on-screen factoids, viewers will have the opportunity to learn about the biology and behavior of various domesticated animals and livestock. Unstoppable and unflappable, this Doc is a legend in the community and provides an entertaining view of the veterinary profession.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SAVE OUR SHELTER is a series focusing on the "rescue" of animal shelters and pets need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13-16 years old, SAVE OUR SHELTER will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. SAVE OUR SHELTER will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life.
