Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Adventures of Chuck and Friends is a half hour action-comedy to inspire children, to approach playtime as an exciting limitless adventure, in which everyone learns how to solve problems creatively, compassionately, and with a sense of humor. Chuck's storylines and characters aim to spark young children's imaginations, and encourage them to think of fun ways of turning their daydreams into action-packed adventures and games with their real-life friends. Chuck and his friends will use problem-solving strategies such as teamwork, thinking creatively, taking responsibilities for their actions, perseverance when they encounter obstacles and to ask for help when trying to handle a frustrating situation. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides.
