Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Turbo Dogs" is an animated show based on the books (Racer Dogs)by Bob Kolar. The series follows a group of six dogs from Racerville who love to compete with one another in races. In each story, one or more of the dogs encounter and solve problems that teach them social-emotional lessons on good sportsmanship, teamwork, cooperation, playing fair and friendship. The show also imparts information on the mechanics of racing like directionality and the concepts of distance and time. The social-emotional messages are embedded through the stories using action and humor. The tags at the end of each episode reiterate and establish the educational message learned by the dogs.

SHELLDON is an animated series about a school aged yoka shell mollusk who lives with the adoptive family, the Clams, in an undersea community called Shell Land, which is populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode of the show. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socio-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Magic School Bus is based on series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa's is an animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets and an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the cool group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILD AMERICA is targeted to children ages 13-16. The key educational objective of the program is to familiarize children with the animals of the North American content, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. Each episode of the series will be specific to a particular animal. Topics will range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species. We expect that children viewing the program will achieve a greater understanding of nature and specific animal species because of the up-close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North American and learn to protect its natural species.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Traveling Trio is an adventure-filled educational series presented by three siblings who traverse the globe while exploring, learning and teaching viewers about our amazing world and all it has to offer. In each episode Olivia, Ingram and Everett begin with a geography lesson that includes the location of the destination, the flag, the language, and the bordering countries. Basic historical facts are presented in a clear, easy-to understand manner as the hosts move from location to location. In every episode, the hosts interact with each other as well as merchants and children from the destination country. Olivia, Ingram and Everett also conduct interviews with children and adults who are working for positive social change in their community (whenever possible), especially in regard to education and child welfare. In concluding the episodes, the hosts, with the help of some of their new friends, present a simple language lesson that teaches common phrases from the destination. This rudimentary tutorial is intended to spark an interest in foreign language by presenting it as an obtainable skill.

Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willas is an animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets and an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the cool group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.
