|--------------|-----------------------|-------------|
| Station Type | Station Type          | Independent |
|              | Affiliated network    |             |
|              | Nielsen DMA           | Chicago     |
|              | Web Home Page Address | www.wjys.tv |

**Digital Core  
Programming**

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 168.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 4.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

**Digital Core Programs(13)**

|  |   |
|--|---|
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Real life jobs and careers are explored in an energetic style as an education and information presentation for teenage viewers. The careers and people chosen to reflect those categories offer a vital inside look at what it would really be like to choose that particular profession. A co-host approach allows for interchange of questions and responses adding viewer stimulation and insight. The Annenberg study found REAL LIFE 101 to be an highly educational offering. |
| Does the Licensee identify the program by displaying throughout the program the symbol E/I?                              | Yes   |

| Number of Preemptions Rescheduled  |   |
| Length of Program  | 30 mins   |
| Age of Target Child Audience   | 13 years to 16 years  |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Planet X serves the educational and informational needs of teens with its program content including safety tips, in-the-field experiences of professional and amateur athletes participating in extreme and action sports around the world. There are also many humanitarian efforts featured on the show, including highlights of disabled athletes participating in and teaching others about a physically challenged world. The intersection of sports with complex socio-political issues provide an effective means for connecting teenagers to situations of historical and contemporary political importance that they are likely unfamiliar with. |

| Question  | Response  |
|---|---|
| Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?   | Yes   |
| Name of children's programming liaison  | Luis Munoz  |
| Address   | 18600 S. Oak Park Ave.  |
| City  | Tinley Park   |
| State   | IL  |
| Zip   | 60477   |
| Telephone Number  | 708-633-0001  |
| Email Address   | lmunoz@wjstv62.net  |
| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | The station terminated analog operation prior to this recording period as mandated by law. The answers to question 4 therefore refer to the station's main digital program stream. The answers to questions 9 and 10 therefore refer to the station's secondary digital program stream. The answers to question 14 therefore refer to both the station's primary and secondary digital program streams. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This is a weekly news program providing information and news to kids in a manner that is compelling as well as highly entertaining. It is designed to appeal to the audience on its own level. The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team is unique in television and has great appeal to kids who identify and emulate them. It inserts the voice of the kid into the adult-dominated media and provides a unique perspective to the news that is not currently available on network television. |
