Digital Core Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	CORE programming in the areas of particular concerns to young teens including doing a job well by learning how to train an animal and watching the results intended (also gives a sense of accomplishment). The art of training an animal provides a new skill that can result in more confidence for the younger teens. The Instructions create understanding of the method that leads to a favorable ending. Following directions allows the teen to achieve the desired results. Acquiring patience with an animal teaches discipline and hard work. Spending time with an animal forms a bond of caring and empathy. Learning something new gives the teen another reason to talk with others which, in turn, creates social connections

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SWAP TV" is a weekly half-hour television series about two teenagers from different backgrounds "swapping" lives for a weekend. The series meets the educational and informational objectives of the FCC's Childrens Programming requirements for children ages 13-16. The programs explore the opposite lives of the participating youngsters as they learn about different cultures and family settings. Young viewers are exposed to the special interests of the "swapping" youngsters and what adjustments they make to a different life situation. The program teaches tolerance of various races, creeds and backgrounds while exposing an appreciation to someone else's way of life. Each episode is informative, entertaining and promotes good social values and respect. "SWAP TV" is closed-captioned for the hearing impaired and displays the "E/I" icon throughout the broadcast.
