Length of Program	30 mins
Age of Target Child Audience	8 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Jack Hanna's Into the Wild" is a program suitable for both the secondary classroom and general audience with content addressing several academic outcomes designed by both state and national life science standards. Shot from a number of photographic perspectives, the viewer is introduced to the biodiversity of the area, how animals have adapted to the environment and the changes humans have imposed on the environment as well as the positive impact of local conservation efforts in the region. In addition to the educational content of the program, Jack Hanna brings the affective aspect to the wildlife education, engaging the emotional appeal of the wild animals and the conservation message to encourage the audience to take an active interest in preserving wildlife. The program was regularly scheduled between the hours of 7am and 10pm. The program is 30 minutes in length and was identified as an educational and informational show, targeted to 8-16 year-olds, at the beginning and through each broadcast and in listings provided to publishers of program guides.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Mustard Pancakes" is a series that addresses emotional and practical issues that preschoolers face as they grow up and teaches them how to deal with these issues (partly by relying on friends). The series sends the positive message that while growing up can be challenging, it's also lots of fun, and the musical and storytelling components provide a comforting element. The program was regularly scheduled to air between the hours of 7am and 10pm. The program is 30 minutes in length and was identified as an educational and informational show, targeted to 3-8 year-olds, at the beginning and through each broadcast and in listings provided to publishers of program guides.
