| Age of<br>Target Child<br>Audience   | 2 years to 10 years  |
| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Flying House is an animated presentation of the historical events recorded from 4A.D. to approximately 70 A.D. In addition to the events themselves, children are exposed to the parables and moral and ethical teaching of the period through animated, dramatic presentation. Children are taught to respect their parents, be truthful, not steal, refrain from violence and show respect for the government and its laws. They are taught the value of respecting people of different ethnic backgrounds, helping the needy, feeding the hungry, nursing the sick and many more humanitarian values. This program is specifically designed to further the educational and informational needs of children, and has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission rules. |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | It's fun It's colorful It's magical It's musical It's educational It teaches values and celebrates faith And it does all that in three languages at once! Introducing Dr. Wonder's Workshop, the first week Christian television series ever produced where everyone uses American Sign Language! This program h been designed from the ground up to be the most accessible children's educational TV series ever developed. Not only will the show be voiced in English and captioned in English and Spanish, but every lir every song, every story will also be signed. This program has everything you've come to expect in a high quality children's educational television show: Interesting stories with fun, colorful characters; Creative original music; Language development; and instruction on the importance of developing positive life value such as honesty, integrity, and responsibility. But it also includes another dimension not found in most educational television. Dr. Wonder's Workshop also address issues of faith. Every program will include a Bible Story and an object lesson to show the children that God is just as relevant today as He ever was! T show will never be "preachy", but in tender loving ways Dr Wonder and his friends will unapologetically show the children that God knows them, He loves them, and they are precious to Him. This program is specifically designed to further the educational and informational needs of children, and has educating and informing children as a significant purpose. |

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. Flying House is an animated presentation of the historical events recorded from 4A.D. to approximately 70 A. D. In addition to the events themselves, children are exposed to the parables and moral and ethical teaching of the period through animated, dramatic presentation. Children are taught to respect their parents, be truthful, not steal, refrain from violence and show respect for the government and its laws. They are taught the value of respecting people of different ethnic backgrounds, helping the needy, feeding the hungry, nursing the sick and many more humanitarian values. This program is specifically designed to further the educational and informational needs of children, and has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission rules.
