Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	XPLORATION ANIMAL SCIENCE is an animal series with a uniquely scientific approach. While most animal shows look at the behavior of animals, XPLORATION ANIMAL SCIENCE goes one step further to look at how and why an animal is able to excel in its environment. This series uses animation, graphics, and scientific analysis from animal experts to give viewers more understanding than ever before of these amazing creatures. While specifically targeted to teens, this is a program that animal lovers of all ages can watch and learn from. The program is regularly scheduled and airs between the hours of 7 a.m. and 10 p.m. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to teens (13 to 16 year olds), at the beginning and through each broadcast and in listings provided to publishers of program guides.
