Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program chronicles the animated adventures of three best friends: Ruff-Ruff, an instinctive pup; Tweet a cautious bird; and Dave, an imaginative panda. During each episode the program asks questions and children engage with the program by deciding which of the characters offers the correct answer or solution. The program encourages children to learn to make their own decisions. Episode examples include answering questions about: words that describe opposite states and actions; how to plant a seed and help it grow; and, searching for the biggest number during a visit to Number Land. This program airs on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a stop-motion animated program that follows a family of mouse-like creatures who live on a small blue planet. They communicate with distinctive whistles, and a narrator comments on the events which occur in every episode. Children learn about connectedness, curiosity, inventiveness and kindness. Episode examples show the Clangers' inventiveness by their composing music in a unique way; problem solving as they search for and find lost items; and, kindness as they help their friends through difficult challenges. This program airs on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is anchored by Sportacus, a fit and agile hero, whose "kryptonite" is sugar, which makes him instantly lethargic. Sportacus and the program's cast of child characters are challenged in each episode with an issue or dilemma, and are opposed in their attempts to complete their mission by Robbie Rotten, who seeks to return LazyTown to its former lazy ways. The program seeks to impart to preschool and early school-aged children the importance of healthy living, and to help them understand the value of developing sound eating and physical exercise habits, while also providing them positive messages about friendship, empathy, self-respect, truthfulness and other age-appropriate life lessons. This program airs on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program airs on the station's digital channel 2.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals, and their environment. Throughout the series, emphasis is placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species, with the aid of up-close and detailed photography throughout the program. Through this understanding, it is hoped that viewers will better relate to the natural environment in North America and learn to protect North America's animal species. This program airs on the station's digital channel 2.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is hosted by teens, and uses peer reporting to profile individuals and organizations committed to environmental issues, including reports on the latest recycling and nature conservation efforts, advances in renewable energies and carbon footprint-reducing technology. It also offers advice on how to be more eco-wise while performing daily activities. The program includes "eco bytes" (bits of trivia related to environmental issues) and video footage uploaded by teen viewers to the program's website. By using this information from a youthful point of view, the program encourages young adults to become more proactive about environmentalism and stresses the positive impact that young people's efforts, no matter how small they may seem, can have on the larger world around them. This program airs on the station's digital channel 2.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	To supplement and enhance the educational value of the network's NBC Kids programs, NBC aired a number promos in its prime time schedule to promote the NBC Kids programs that air on the weekends. NBC also aired a number of promos and public service announcements from the AD Council and The More You Know campaign to give information to those who are 16 and under. In addition to core children's programming, WTWC airs public service announcements and Network news programming that have educational and informational value for children. WTWC airs NBC's "The More You Know" PSA series. NBC has a website that also gives information to children 16 and under. "The More You Know" comprehensive website(themoreyouknow.com) compliments the on-air public service announcements, while providing in-depth referral information for viewers. Content includes: video of all current public service announcements, a general campaign overview, message boards,press releases, kids pages and referral information by topic to partnering agencies referenced in the PSA's. The site includes a comprehensive list of the campaign's accolades, including Emmy and Peabody awards. In addition, a behind-the-scenes story with clips from talent interviews can be viewed. WTWC also produces Our Issues Tallahassee, a show that focuses on issues important to the community.

Program Title	ECO COMPANY

Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 9:00am-9:30am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is hosted by teens, and uses peer reporting to profile individuals and organizations committed to environmental issues, including reports on the latest recycling and nature conservation efforts, advances in renewable energies and carbon footprint-reducing technology. It also offers advice on how to be more eco-wise while performing daily activities. The program includes "eco bytes" (bits of trivia related to environmental issues) and video footage uploaded by teen viewers to the program's website. By using this information from a youthful point of view, the program encourages young adults to become more proactive about environmentalism and stresses the positive impact that young people's efforts, no matter how small they may seem, can have on the larger world around them. This program will air on the station's digital channel 2.

Program Title	AQUA KIDS
Origination	Network
Days/Times Program Regularly Scheduled	Fridays 12:00pm-12:30pm & 12:30pm-1:00pm
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program explores the marine ecosystem from tributaries, rivers, and oceans. Viewers will develop an understanding that we are "key" in preserving the ocean environment. Aqua Kids teaches about the diversity and beauty of the marine environment and its potential destruction by pollution and carelessness of the human population, such as marine mammals dying from the ingestion of plastic, and toxic waste in our waterways, which can destroy the habitat and marine life. By showing the audience the problems they encounter, the Aqua Kids educate their peers on what can be done to solve environmental dilemmas. This program will air on the station's digital channel 3.
