Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The show features the Clanger family, small mouse-like creatures that live on Clanger Planet far away from Earth. The members of the family are presented with many unusual challenges that become the center of a dilemma that must be resolved within each episode. Strange visitors arrive out of nowhere and the Clangers have to figure out who and why they are on Clanger Planet. Sometimes they need to help or rescue someone who has become lost on the planet. Other times, they are trying to understand outer space; meteors and comets and eclipses of the sun or moon. Each member of the family has a forte', from playing music to knitting or gardening or inventing equipment that comes in handy for some of the problem solving that takes place. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Earth to Luna is a Brazilian animated series about a 12 year old girl, Luna, who loves science and the outdoors. There is nothing she doesn't question, and she shares everything she learns with her little brother, Jupiter, her parents or her friend Alice, and Clive, her pet ferret. In each episode Luna and her brother develop questions about whatever they find curious, e.g., what goes on inside the snails' shell?" or "Why does a firefly blink?" In pursuit of answers, Luna, Jupiter and Clive go off on an imaginary adventure to do their research. They transform into the object or creature they are studying so they can personally experience the answers to their questions. When the threesome is finished with the "field trip" Luna summarizes everything they have learned with a show and a song. Airs on Primary Digital Channel

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Save Our Shelter is a series focusing on the "rescue" of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13-16 years old, Save Our Shelter will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. Save Our Shelter will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life. Airs on Channel 10.2.

Floogals is an animated show starring three space aliens, Fleecker, Flo and Boomer, who have been sent to Earth to explore, investigate, discover and report their findings to their superiors at Floogal headquarters. The diminutive Floogals are no taller than a large safety pin and their visual perspective is literally the point of view of the show. With the multiple challenges of their size and ignorance of all things human, the Floogals have a lot of work on their hands. They are engaged in the dual processes of discovery and problem solving as nothing on Earth is familiar to them. Much like young children, they begin by encountering something new and then go through a comedic multi-step process of watching, listening, touching, and note-taking until they have figured out what and how their new discovery fits into the human universe. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Chica Show features a five year old baby chick that spends her days with her parents in their costume shop, the Coop. The shop's one employee, Kelly, doubles as Chica's nanny and the ensemble is rounded out with Bunji, a large floppy eared rabbit, and Stitches, a straw mannequin that sits in the window. In each episode Chica develops or encounters a problem that she cannot immediately resolve. Usually her issues involve impulse control, distractability, judgement, and interpersonal behaviors. She and Kelly usually work on the problem through an adventure, a fantasy transformation to animation, where Bunji and Stitches come alive and join Chica and Kelly for the probelm solving process. The core educational content is primarily socio-emotional development as Chica learns how to express herself properly, think before she acts, and interact with other effectively. She often learns that it takes hard work and practice to become proficient at different skills. Airs on Primary Digital Channel
