Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether its the need for speed or animal heroes - theres always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. In order for parents, children, and listing services to clearly identify the program as one that fulfills the FCC description of a program that meets kids' educational television needs, each episode will display the recommended rating TV-G E/I icon from beginning to end.
