Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Rich Coutinho
Address	800 Westchester Ave S-640
City	Rye Brook
State	NY
Zip	10580
Telephone Number	(914) 417-2718
Email Address	rcoutinho@rnntv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WRNN simulcasts all programming on its .1 program stream on its .4 program stream. Therefore, as allowed by the Commission's rules, the programming that airs on both streams can be counted toward our CORE programming obligation. In response to an inquiry from Media Bureau staff, WRNN has reviewed its identification of core programming on the Station's primary channel and digital subchannels. Throughout the license term, WRNN consistently identified each core program on its primary (.1) and secondary (.2) programming streams with the E/I symbol at the beginning of each program. However, as a result of an internal miscommunication, upon introducing two additional program streams in the second quarter of 2012, WRNN unintentionally failed to identify the core programming on those program streams with the E/I symbol. WRNN immediately worked to remedy this issue as soon as it came to management's attention and, as of January 1, 2016, all core programming on the Station's primary channel and each of its digital subchannels is identified with the E/I symbol at the beginning of each program. From 1/1 through 3/4 ARISE Programming was broadcast on 68.2. On March 5 this programming was changed to ASN which was broadcast on 68.2 for the remainder of the quarter.

Total times aired at regularly scheduled time 26

Length of Program 60 mins

Age of Target Child Audience from 13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. Science meets sports in this informative series that explores the science and engineering underlying athletic endeavors. Pro athletes take part in experiments to reveal the scientific secrets behind the sports they play. Sports Science educates viewers about the forces (internal and external) sustained and generated by the body during high level athletic activities. This show was designed with viewers ages 13-16 in mind, and can be utilized in a variety of different classroom settings.
