Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Veggie Tales is a show that draws upon characters from stories, which use both long and short form materials to provide social/emotional messages to children. Narrated by animated veggies, Bob the Tomato and Larry the Cucumber, the show teaches life lessons through wit and humor. Each episode contains one or two short animated stories that illustrate core values to children in an entertaining way. Stories are interrupted with silly songs, usually sung by Larry the Cucumber, that contain whacky lyrics in a catchy tune. Each episode ends with Bob and Larry reinforcing the lesson learned through the stories.
