Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Think Big is a kid-hosted entertaining series for young people following the world's most innovative kids as they create and invent new toys, games, learning tools, websites, and modes of transportation. The program features top kids inventors who face off against one another in an invent-off to see who can come up with the most innovative and creative invention. In each episode, two teams brainstorm, choose materials, sketch and design their idea. Once completed, the inventions are judged. This program allows kids to showcase their skills in creativity, science, innovation, marketing and teamwork. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. Through dramatic reenactments, the program will document ordinary teens who accidentally find themselves in perilous and challenging situations, interview the participants and talk to various experts who will explain what the proper reaction should be when faced with similar life-threatening circumstances. A moral dilemma segment is featured in each show in an effort to help teens to make the right decision at the right moment. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays pointing out that their body form was the inspiration for the stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet as well as how sea life connects to life on the rest of the globe. This program aired on the station's secondary digital stream, 25.2.

<p>Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>1/8/16-State School of Character Council Meeting: Jeff George, meteorologist, is a member of the Character Council of Central Oklahoma, that helps to equip and empower individuals to create a culture of good character in central Oklahoma and throughout our school systems. He is on the committee that selects State and National Schools of Character. They selected 4 schools in Oklahoma to receive the honor and these will be presented to them at the State Capitol in April. 2/6/16-Operation Relief: Jeff George emceed and hosted The 2016 Operation Relief: All Bets on Red event which featured a New Orleans Mardi Gras theme. The event raised money for the Red Cross to help support disaster relief services, support of the military and veterans and preparedness education in the community like The Pillowcase Project. 2/11/16: John Wilhelm, Sales Promotions Coordinator, conducted a station tour for 27 high school students from Latta Public Schools to learn about the business of television. 2/12/16: Jeff George provided a weather presentation that helped over a dozen Boy Scouts receive their Weather Badge by giving detailed information on a variety of meteorology topics. He also answered questions and did several demonstrations. 2/18/16: John Wilhelm, Sales Promotions Coordinator, conducted a station tour for 14 high school students from Yukon Public Schools. 2/18/16-Sheraton Hotel: Keaton Fox, reporter, gave a speech to the 65th annual convention of Oklahoma YMCA Youth in Government delegation, which included several hundred high school students from around the state. 2/20/16-Oak Tree Country Club Fundraiser: Mike Brooks and Wendy Soares, anchors, were the emcees at the St. Mary's Episcopal School/Edmond fundraiser. 2/29/16- OSU Career Fair: Vicki Khalili, HR Coordinator, met with students at the Oklahoma State University of Media &amp; Strategic Communications Career and Internship Fair to discuss their career interests and provide information about opportunities at the station that pertain to their particular interests. She also spoke about internship possibilities. 3/2/16: Jeff George read Dr. Seuss books to sick children at the Children's Center Rehab Hospital in celebration of Read Across America Day. 3/5/16-Severe Weather Expo: The weather team attended and presented at the expo in Penn Square Mall. They performed weather experiments and set up a green screen for children to record their own weathercasts. Free safety DVD's were distributed and safety tips were presented. 3/15/16-NPPA Workshop: Adam Pursch, News Director, spoke to a group of students attending the NPPA workshop at the University of Oklahoma. He talked about the best ways to apply, how to handle interviews and how to get the job in broadcasting. 3/26/16: Mireya Garcia, reporter, spoke to a group of high school and college students about the journalism industry, how they can become journalists and about internship and career opportunities at the station. 3/26/16: KOKH was the media sponsor for the American Lung Association's Annual Fight For Air Climb. Jeff George, meteorologist, emceed the event at Leadership Square. This event challenges participants to climb 35 floors up and 35 down; raising money for the Oklahoma Chapter to fund vital research, advocacy efforts and local programs and education. KOKH aired public service announcements encouraging people to participate and/or give to this cause. KOKH aired the following public service announcements geared towards children/teens; Ad Council Bully Prevention, Discover Nature, Recycling, Dangers of Texting and Driving, Wildfire Prevention, American Human Society.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. Through dramatic reenactments, the program will document ordinary teens who accidentally find themselves in perilous and challenging situations, interview the participants and talk to various experts who will explain what the proper reaction should be when faced with similar life-threatening circumstances. A moral dilemma segment is featured in each show in an effort to help teens to make the right decision at the right moment. This program will air on the station's main digital stream.
