**Digital Core
Programming**

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 3.54 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 336.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 9.0 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Noodle & Doodle: An instructional series, features creating art projects and cooking projects around a specific theme. Host, Sean, drives around in a double-decker bus fully equipped with art supplies and a kitchen, ready for any assignment. The projects encourage parent engagement and often feature families working together to make something to display within the child's home. Sean's side-kick, Doggity, is an ever-faithful beagle who transforms into an animated character during interstitial trips to a parallel universe, set in a kitchen full of prank playing animated characters. The art projects typically promote utilizing recycled materials in order to demonstrate that creativity can transform something intended for one purpose into something that achieves a completely different goal. Airs on our main digital channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | An instructional series, features creating art projects and cooking projects around a specific theme. Host, Sean, drives around in a double-decker bus fully equipped with art supplies and a kitchen, ready for any assignment. The projects encourage parent engagement and often feature families working together to make something to display within the child's home. Sean's side-kick, Doggity, is an ever-faithful beagle who transforms into an animated character during interstitial trips to a parallel universe, set in a kitchen full of prank playing animated characters. The art projects typically promote utilizing recycled materials in order to demonstrate that creativity can transform something intended for one purpose into something that achieves a completely different goal. Airs on our main digital channel. |
