Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it is the need for speed or animal heroes - there is always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in the living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and prosocial values within an environmentally responsible universe.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pets.TV is a television program that provides educational and informational segments exposing the target audience of young viewers to everything Pets. The upbeat contemporary presentation relates pets to their lives and interests. Pets from everyday to the unique are showcased with educational information that shares how they evolved to become pets and their geographic origins. Professionals share personal experiences of featured animals and/or related products. In these segments the excitement and love of working with pets is expressed. The motivational and inspirational message of each guest empowers audiences of all ages to pursue more information and education about everything pets. Each segment of Pets.TV delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, commitment, and perseverance children can apply to their lives. The Vegas Glitz. The La Glamour. The highest peaks. The driest deserts. The biggest events. And the hidden gems. Everything from State to State.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	State to State is an educational and informative half-hour, E/I program that travels to every entertaining nook and cranny of America. Viewers will experience the hectic dazzle of the Big Apple, discover the rawhide spirit of Wyoming, learn about the revival of St. Louis, celebrate the innovation of Silicon Valley, hear the music of New Orleans and Austin, understand the history of Hollywood, and learn about America's diverse culture in nearly every state in the union. Viewers will also learn about the country's diverse geography and experience the great outdoors, from Alaska to the Everglades. They'll see the biggest events and discover the hidden gems. Each episode showcases between one and three states and dozens of locations within them. State to State delivers fast-paced, engaging information that's a perfect match for the 21st century learner. The series is packed with facts about history, geography, and culture. The goal of the series is to provide young viewers with the inspiration and information to better understand and appreciate the dynamic and diverse country they live in.
