Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Handy Manny introduced concepts related to construction, building, engineering, and technology to preschool audiences through engaging, relatable stories about Sheetrock Hills' lovable handyman, Manny and his neighbors and friends. In each episode, one of Manny's neighbors calls with a problem. Manny is always willing to help! With the help of his tools a lively bunch of friends, each with strengths and challenges of their own Manny is able to assess problems, ask questions, come up with solutions, and make any repairs necessary to help his neighbors. Whether the problem is a broken scooter or a clogged sink, Manny is able to find a solution using his knowledge of construction principles and how machines work. Manny's neighborhood is a multicultural community with a rich Latino heritage. Manny and his neighbors participate in a number of Latino traditions, festivals and holidays. Spending time with Manny and his neighbors in Sheetrock Hills is guaranteed to be both fun and informative for viewers!

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company provides CORE programming in the area of the environment and preservation of the earth resources. Eco Company explores all aspects of being green and understanding how our actions impact the world. The E-Co team learns about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop new ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally the show provides weekly practical tips that teens, and people of all ages can use in their daily lives. Eco Company uses the technique of peer reporting. The diverse and dynamic cast of teens who make up Eco Company combine their natural curiosity with their enthusiasm to report the informational stories to teens and their families. Each episode employs Eco Company members or hosts who conduct interviews of peers and adults, and experience first hand the demonstration and explanation of the topic.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Calling Dr. Pol is a weekly half-hour series that explores the fascinating occupation of veterinary medicine. Designed to educate and inform viewers aged 13-16 and the entire family this inspiring series invites viewers to share in the experiences of Dr. Pol. An enthusiastic and naturally-inclined and well-rounded scholar, Dr. Pol has been practicing veterinary medicine for over 35 years. Caring for more than 19,000 patients, Dr. Pol has seen it all. Specializing in large farm animals, Dr. Pol, his family and veterinary staff also care for animals of all shapes and sizes. Each week audiences will have a chance to understand the challenges and rewards of this fulfilling profession and learn that the work doesn't end at the clinic; Dr. Pol often takes his talents to the road by helping sick or injured animals on neighboring farms and ranches. With the added benefit of Dr. Pol's expert analysis and on-screen factoids, viewers will have the opportunity to learn about the biology and behavior of various domesticated animals and livestock. Unstoppable and unflappable, this Doc is a legend in the community and provides an entertaining view of the veterinary profession.
