Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Number of Preemptions Rescheduled	3
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SPORTS STARS OF TOMORROW is a weekly "magazine" series that showcases up-and-coming young athletes whose talent and hard work are making them winners. Each episode includes a variety of news features that highlight the featured athletes' success in sports, as well as the hard work that's gotten them that far. Family members and coaches are introduced, too, allowing viewers to get a better idea of the many people involved in each athlete's achievement. Although the show focuses on the players' athletic prowess -- and the awards and scholarships they've received because of their talents -- it also presents these young athletes as regular kids, many of whom spend their time volunteering, tutoring children with learning disabilities, and even being elected prom queen.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chicken Soup for the Soul's Hidden Heroes, hosted by Brooke Burke-Charvet, is a hidden camera television show developed for teens in which each episode reveals the widespread goodwill in our world by secretly capturing heroes in action as they demonstrate acts of kindness, compassion and commitment to others. Highlighted by funny, light-hearted moments, the show shines a bright light on everyday people who selflessly share their positive attitudes towards society and life with others by doing good deeds. The show, which includes user-generated content, is based in part on three Chicken Soup for the Soul books created with the Boniuk Foundation: Chicken Soup for the Soul: Be the Best You Can Be; Chicken Soup for the Soul: Create Your Best Future; and Chicken Soup for the Soul: Raising Great Kids. These books were made, with the support of the Boniuk Foundation, from thousands of stories specifically selected to build character, promote kindness, and encourage compassion, especially as a tool against bullying. Each episode of Chicken Soup for the Soul's Hidden Heroes features three hidden camera scenarios that capture everyday heroes in action in a highly entertaining and interactive format.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hatched is an educational and informational series dedicated to teaching children aged 13-16 about how to successfully pursue their entrepreneurial dreams. Each week, a seasoned team of business leaders instructs entrepreneurs about the basic but critical business skills needed to bring a product from concept to the marketplace. A unique program that combines entertainment with business school, Hatched will focus on the skills needed to launch a product. It will help young people develop the confidence and business savvy to execute a detailed business plan that includes product pricing, packaging, marketing and investment strategies. Hatched brings young entrepreneurs to the table encouraging them to step up and seize their dreams.

Program Title	Lucky Dog
Origination	Network
Days/Times Program Regularly Scheduled	SATURDAY 7AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan's second home is the neighborhood animal shelter, where his mission is to rescue hard-to-love and untrained dogs. At McMillan's training facility known as the Lucky Dog Ranch, he embraces the difficult task of turning frightened pooches into perfect pets. McMillan's ultimate triumph is seeing a lucky family adopt an even luckier dog, making each episode an adoption story that warms the heart.

Program Title	Sports Stars of Tomorrow (19.3 for 19.2)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 12p
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SPORTS STARS OF TOMORROW is a weekly "magazine" series that showcases up-and-coming young athletes whose talent and hard work are making them winners. Each episode includes a variety of news features that highlight the featured athletes' success in sports, as well as the hard work that's gotten them that far. Family members and coaches are introduced, too, allowing viewers to get a better idea of the many people involved in each athlete's achievement. Although the show focuses on the players' athletic prowess -- and the awards and scholarships they've received because of their talents -- it also presents these young athletes as regular kids, many of whom spend their time volunteering, tutoring children with learning disabilities, and even being elected prom queen.
