| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program offers teens an opportunity to view everyday people - regardless of age, sex, occupation or education - stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. In addition, the program includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program seeks to encourage young viewers to increase their sensitivity and awareness, in order to refine their own moral compass. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |

Liaison Contact

| Question | Response |
|---|--|
| Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)? | Yes |
| Name of children's programming liaison | James Corbin |
| Address | 120 Arcade St |
| City | Watertown |
| State | NY |
| Zip | 13601 |
| Telephone Number | (315) 786-0028 |
| Email Address | jcorbin@wwnytv.net |
| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | <p>On WWNY-CD's primary DTV program stream the program The Real Winning Edge ended its run 9/3/2016 and was replaced by America's Heartland, which ran for the remainder of the quarter in the Saturday 9:00AM time period. On WWNY-CD's primary DTV program stream the program Xploration FabLab ended its run before the quarter ended. It was to be replaced 9/11/2016-9/25/2016 with the program Xploration Weird But True, but on 9/11/2016 there was a problem with the satellite feed and Missing, another E/I show normally shown Saturday's at 6:30AM, was substituted. The missed program was not rescheduled since it was not available. On Saturday 7/16/2016 CBS News ran a special breaking news report from 11:11AM-11:57AM. As a result, a good portion of WNYF's secondary DTV feed and program Chicken Soup For the Souls Hidden Heroes was preempted, and most if not all of Game Changers With Kevin Frazier was preempted on that date. This station conducts tours and participates in career days for school aged children, exposing them to the technology and career opportunities in broadcasting. WWNY-CD broadcasts news M-F 6-8AM and 10PM. While not specifically targeting children, these broadcasts include news and information of interest to children 16yrs of age and under. This news and information includes, but is not limited to, local & world news, sports and weather. The programming attributed to WWNY-CD's secondary DTV channel is a simulcast of WWNY-TV, a CBS affiliate. The programming source is attributed to "Network", meaning the CBS Network. WWNY-TV (secondary DTV channel) broadcasts local news at 6AM, Noon, 6PM & 11PM M-F, and 6PM & 11PM Saturday's and Sunday's. While not specifically targeting children, these broadcasts include news and information of interest to children 16yrs of age and under. This news and information includes, but is not limited to, local & world news, sports and weather.</p> |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. |
