This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the	<p>The Licensee, VCY America, Inc. has been involved in the following non-broadcast efforts in this quarter which enhance the educational and information service to children. 01. VCY America is also licensee of WVCY-FM, WVCY-AM, WVCX-FM, WVCF-FM, KVCX-FM, KVCF-FM, KVFL-FM, KVCY-FM, KCVS-FM, WJIC-FM, WVCM-FM, WVFL-FM, WVRN-FM, WQRN-FM KVCS-FM, KVCH-FM, WPTH-FM, WVCS-FM, WRVX-FM, WQRM-AM and KVCJ-FM. Also VCY America is the principle stockholder of radio stations WEGZ-FM and WVCN-FM. We have a birthday club where we invite children under age 12 to send in their birthdays and be a part of this club. When their birthday comes, we announce their name over the radio facilities and also send out a birthday packet which among other things includes a card and a small gift. This KIDS TALK radio program reinforces family and moral values in the lives of young people. This Birthday Club has approximately 10,000 children age 12 and younger who are enrolled. In addition, each of these radio stations air children's programming that is both educational and informational and promote positive values to young people. Children's programs are aired Monday-Friday from 3:45-4:30pm, Saturdays from 8:00am-10:45am and Sundays from 2:00-4:00pm (Central time). These programs teach moral values and help children to learn how interpersonal relationships can be conducted in a non-combative, but positive way. 02. Every Sunday morning VCY America has staff and volunteers that conduct the Protestant service at a County Detention Center. The Center is largely comprised of youths in trouble with the law usually between the ages of 10 and 17. We have one worker for the boys and one for the girls. During the Sunday School time we give the young people a chance to interact with the staff allowing them time to discuss problems or difficulties they're going through. If requested by the young people, the staff member will make visits to the Center during the week. We are hoping to show these youths that life is not worthless, that there is hope, and there is an alternative to the crime and violence of the city. For some, they will not receive any visits except from one of the VCY staff. 03. Some of the staff members are involved in youth outreach outside the realm of broadcasting. Paul McClain works as a leader and/or teacher in a youth program, at his local church. His primary working has been with children in 3rd grade helping them in their spiritual, intellectual and physical development. 04. Staff from VCY conduct a club for neighborhood children primarily focused on ages 8-13. The club meets weekly on Wednesday evenings. Each week children have recreational time as well as a time of spiritual instruction, values and character building. 05. The licensee, VCY America operates a camp in Hillsboro, WI. during the weeks of July 11-16, July 18-23 and July 25-30 three weeks of Kids Camps were featured for children primarily between the ages of 8-13. Approximately 169 campers attended these weeks of camps. The theme for the week was</p>

"The Detective Objective", where young people learned character building qualities for their lives along with spiritual application. The weeks included numerous recreational opportunities, group games and competition, talent night and spiritual instruction. In addition, during the week of August 1-6, the licensee provided the camp facilities for a large group affiliated with RBC which used the camp facilities for youth instruction and recreation. Approximately 110 young people attended this week. Other Broadcast Related Information: Although the following programs educate and instruct a general audience and not just children, the following programs do contribute to our efforts in educating and instructing children: ORIGINS - a 30 minute weekly program airing Tuesdays at 5:00pm, Wednesdays at 1:30pm and Saturdays at 4:00pm. This program had 39 airings this quarter. This program features varied guests discussing and lecturing this quarter on the topics of: distant starlight in a young universe, evolution, Noah's flood, the sun, Pluto, dinosaurs, etc. Other similar programs of a education/informational dealing with science and related matters were also aired weekly including, "The Bible & Science" and "Answers Creation Hour", "Foundations in Creation" and various editions of "Steeling the Mind".
