Email Address	dbiser@whag.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>During the quarter there were 18 news stories appropriate for children that aired on either the 5PM or 6PM newscast. The content of the stories ranged from: Over the last two years, Linganore High School has had one of the best girls soccer teams in the State of Maryland. It's the start of the morning at Green castle Elementary School and for school students the first stop is the cafeteria for some breakfast. ..Math is a not a spectator sport. That is the motto that 30 year veteran Teacher Cynthia Everts teaches all of her students. Kids Cast - Every Wednesday during our 5PM newscast weather segment, a third through fifth grade school student gives our weather forecast. Children draw a picture of " weather events" and submits it to our local kids cast sponsors. Each week, a picture is chosen and the child that drew that picture sits on our live news set and delivers the weather for the School Bus forecast. The child arrives early, and in addition to learning about the weather, they get to see how a live newscast works "behind the scenes." During the Month of July there were 61 30-second promos that aired for the Play of the Week. Each week, a different male or female athlete is chosen as our Play of the Week. During the month of August 61 30-second promos were aired. And during the month of September 61 30-second promos aired promoting Play of the Week. On August 5, a group from the HCC Children's Learning Center toured the station. They toured the news room, studio and control room and weather center. On August 9, a group from the Frederick YMCA toured the station. They toured the news room, studio, control room, and weather center. On May 17 a Girl Scout Troop from Inwood, WV toured the station. They met with reporters, saw the studio and control room.</p>
