Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle, an instructional series features creative expression through art and cooking projects around a specific theme. Host Sean drives around in a double decker bus fully equipped with art supplies and a kitchen, ready for any assignment. The projects encourage parent engagement and often feature families working together to make something to display within the child's home. Sean's sidekick Doggity is an ever faithful beagle who transforms into an animated character during interstitial trips to a parallel universe set in a kitchen full of prank playing animated characters. The art projects typically promote utilizing recycled materials in order to demonstrate that creativity can transform something intended for one purpose into something that achieves a completely different goal.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ninas World is a childhood adventure series which reimagines a childhood for the character Nina host of the Sprout Good Night Show. Nina is a sixyearold Latina living in San Antonio Texas. She is exposed to adults and children from many cultures that live in her immediate neighborhood and in the mixeduse housing complex where her parents own a bakery downstairs from their apartment. Nina manages to create regular adventures with her friends her parents and the grownups too because she is curious and determined to over reach her abilities in pursuit of her goals. Nina models resilience as there is not a day where she doesnt reflect on her encounters with good natured common sense and an ability to rebound after her mistakes.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Terrific Trucks is a live action series that follows the exploits of five self driving heavy duty construction trucks. They include Tork the dump truck Stotz the flatbed Dug the digger Blinker the mini digger and Sparky the front end loader. The trucks reside in a fully equipped truck yard rock quarry and work as a team on various building projects that require planning collaboration and implementation. Each truck brings specific skills and a distinct personality to the group. They get challenging job assignments from Mr. Bill Board a digital outdoor screen that outlines and diagrams the problem to be solved. By allocating the role each truck will perform during the project the group merges those unique skills to fulfill their respective assignments. Unexpected problems that could compromise their success such as the weather broken truck parts or personal conflicts between the trucks are addressed and overcome so the job can be completed.</p>
