Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about climate change by asking questions to discover the truths and myths of the climate change issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally Eco Company regularly provides practical tips that teens, and people of all ages can use in their daily lives.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DogTown, USA is a story of the men and women who devote their lives to the healing and happiness of dogs - from every corner of the nation. Built on 33,000 acres of pristine land in Utah, DogTown, USA is the nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Each week, DogTown, USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Then, "DogTown, USA's" medical professionals provide unique personal care to each dog, beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. DogTown, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. DogTown, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. DogTown, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.

Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	10 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In Recipe Rehab, dishes are remade to have lower fat and calories. The chefs stress lower-fat ingredients that are flavorful and delicious, which sends a powerfully healthy message that many kids should hear. In addition, watching together may convince kids and parents to try out some of the tricks they see -- maybe even together in the kitchen. Chefs are competing to best renovate one recipe and the game show/competition aspect may interest younger kids who would be bored by a more straightforward cooking show.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half - hour live action television program designed to meet the educational and informational needs of children. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes - there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Missing is a weekly half hour educational/informational series focusing on actual cases of missing persons. The series, which is appropriate for family viewing and children ages 13 to 16 in particular, provides information and descriptions of missing children, including endangered runaways as well as victims of abductions. The show also presents peer to peer advice on safety in public places and in cyber space, including real world examples of how to avoid potentially dangerous situations. The program emphasizes taking active responsibility for personal safety and promotes situational awareness, presented in a calm and nonthreatening manner suited for teenagers.

Program Title	Recipe Rehab (45.1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays at 7am 10/01-12/31/16
Total times aired at regularly scheduled time	14
Length of Program	30 mins
Age of Target Child Audience from	10 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In Recipe Rehab, dishes are remade to have lower fat and calories. The chefs stress lower-fat ingredients that are flavorful and delicious, which sends a powerfully healthy message that many kids should hear. In addition, watching together may convince kids and parents to try out some of the tricks they see -- maybe even together in the kitchen. Chefs are competing to best renovate one recipe and the game show/competition aspect may interest younger kids who would be bored by a more straightforward cooking show.

Days/Times Program Regularly Scheduled		Saturdays at 830am 10/01-12/31/16
Total times aired at regularly scheduled time		14
Length of Program		30 mins
Age of Target Child Audience from		13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half - hour live action television program designed to meet the educational and informational needs of children. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes - there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe.
