Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.26
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	Animal Atlas KCVU Digital 20.1
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 7:00-7:30 AM PT
Total times aired at regularly scheduled time	11
Total times aired	11
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas is an engaging and informative series. This program brings information about the natural world of animals to young viewers in an entertaining way. The program consists of original and detailed footage of animals, a narration, and a charming musical score. The animal subjects are presented as they move informally and comfortably through their normal activities. The ability for young people to observe, wonder, and compare is one of the strengths of the series.

Program Title	Ariel Zoey Eli Too KCVU 20.2
Origination	Network
Days/Times Program Regularly Scheduled	Sunday 730A-8A
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ariel & Zoey & Eli, Too is a musical variety show that empowers children to accomplish their goals and their dreams. The program accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. All songs offer a positive message about life, friendship and being optimistic. The program is 30 minutes in length, and is identified as an informative and educational show, targeted to youth ages 13 through 16, at the beginning of each broadcast and in listings provided to publishers of program guides.

Number of Preemptions Rescheduled	0
Length of Program	30 mins

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids provides a unique vehicle for young people to learn about the diversity of marine animals around the world, emphasizing the importance of preserving fragile aquatic habitats and encouraging children to take an active role in protecting the future of their community and the world. The program provides a window into the management and preservation of unique habitats and species through the eyes of kids and their hands-on collaboration with science researchers and educators. The young viewers imagine themselves in the role of the scientist and as someone who could have a positive impact on the environment. The program is 30 minutes in length, and is identified as an informative and educational show, targeted to youth ages 13 through 16, at the beginning of each broadcast and in listings provided to publishers of program guides.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ariel & Zoey & Eli, Too is a musical variety show that empowers children to accomplish their goals and their dreams. The program accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. All songs offer a positive message about life, friendship and being optimistic.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids provides a unique vehicle for young people to learn about the diversity of marine animals around the world, emphasizing the importance of preserving fragile aquatic habitats and encouraging children to take an active role in protecting the future of their community and the world. The program provides a window into the management and preservation of unique habitats and species through the eyes of kids and their hands-on collaboration with science researchers and educators. The young viewers imagine themselves in the role of the scientist and as someone who could have a positive impact on the environment.
