Digital Core
Programming

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 10.5 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 24.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 10.5 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The Real Winning Edge is a weekly half-hour television series that meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The program highlights adolescents and young adults making the right choices when faced with tough decisions and significant challenges. Recognizing that 13 to 16-year-olds are likely to be influenced by celebrities, the series features role models from the professional sports and the entertainment industries. Each episode is engaging, entertaining and educational in structure, presenting a powerful and positive message. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Welcome into the creative fantasy world of your new friends The Droogles! Combining traditional puppets with cut-out 2-D animation, each exciting episode creates a unique world for a new generation of preschool and kindergarten viewers to enjoy. Woven into stories, songs and learning activities, The Droogles are a fun-loving cast of flying creatures who explore their world from A to Z! Droogles are a curious, clumsy, and slightly mischievous bunch with a kind nature to make-up for any serious wrong-doing. These fantasy creatures resemble baby Dragons, yet their small wings seldom take them anywhere. Most of the time, they wander about town like kids on a playground, extremely excited about every new thing waiting to be discovered. |
