Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Astroblast is a Brazilian animated series about 12 year old girl, Luna, who loves science and the outdoors. There is nothing she doesn't question, and she shares everything she learns with her little brother, Jupiter, her parents or her friend Alice, and Clyde, her pet ferret. In each episode Luna and her brother develop questions about whatever they find curious, e.g., what goes on inside the snails' shell?" or "Why does a firefly blink?" In pursuit of answers, Luna, Jupiter and Clyde go off on an imaginary adventure to do their research. They transform into the object or creature they are studying so they can personally experience the answers to their questions. When the threesome is finished with the "field trip" Luna summarizes everything they have learned with a show and a song.

See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>CHANNEL 13 WEATHER LAB AT THE SCIENCE CENTER OF IOWA Each weekday children from all over central Iowa interact with WHO DT Meteorologists at our satellite interactive weather studio located at the Science Center of Iowa Each Monday and Thursday during the quarter our meteorologists conduct a 30 minute interactive presentation called Storm School for children 14 and under Not only are there discussions about weather but also television production and the magic green screen plus children see our live weather broadcasts at noon each day and receive educational weather handouts THE GOLDEN APPLE AWARD Each month during the school year, WHO-HD and corporate partners honor one teacher in our viewing area that goes above and beyond the call of duty. Nominations are taken from letters written by children at the school that think their teacher should be recognized. Then on the last Monday of the month, we visit the school and surprise our deserving teacher at a school assembly. It teaches children appreciation of all teachers and motivates other teachers to aspire to achieve the same recognition from their students. NATIONAL BALLOON CLASSIC The annual eight day event is geared directly to families and secondarily to children. the event has great entertainment value but also deals with the physics of what makes hot air balloons fly. Patrons are allowed up close to talk to pilots as they fill their balloons first with cold air then hot air. There are also many children's activities that take place each day of the event. WORLD FOOD AND MUSIC EVENT This three day event in the heart of Des Moines focusses on educating and celebrating every culture in our community through food and music. In 2015, more than 120,000 Iowans...including thousands of families... took part in children's entertainment and educational activities CHILDREN'S INTERNET SAFETY WHOTV.com made available a free, downloadable Internet Safety eBook, Growing Up Online, containing unique learning tools that provide parents and teachers important information to help initiate conversation with children about online safety. With half of all kids under the age of eight using Internet connected devices, and one in three children cyber-bullied, it is more critical than ever to educate children on using technology safely. Growing Up Online is a media-rich eBook that provides easy to use content on navigating the digital world in an engaging way and was available free for a variety of tablet devices in both English and Spanish.</p>
