Ruff-Ruff, Tweet, and Dave [RRTD] is a preschool adventure/activity show where the lead characters travel to faraway lands to have adventures with their guide, a hamster named Hatty. Ruff-Ruff, the dog, is the most playful of the three; Tweet is a little bird who loves to fly and get creative with her suggestions; and Dave the Panda has a thing for bananas. RRTD might go to the beach, or the mountains, or to strange lands with pillows everywhere, just the sort of place where imagination and logic come together. The settings are always brightly colored and beautiful. Their transport vehicles are Roly-pods, artful go-carts that fit on a spiral ramp that folds in and out of the Spin-Again, a colorful round spinning top with special compartments designed to anchor each vehicle right on the outside rim during the journey.

Many animals featured are severely abused or neglected or in need of specialized medical treatment. The show first aired on January 4, 2008, and continued for four seasons. The final episode aired on March 12, 2010. By participating in the series, the sanctuary aimed to raise public awareness of issues in animal welfare as well as funds for their life-saving work.[2] Best Friends Animal Society has credited the show with dramatically improving membership, volunteer, and visitor numbers, as well as helping secure homes for many dogs on the program.
