Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is an animal documentary TV series developed by Litton Entertainment that follows Jarod Miller, an animal aficionado and educator, as he travels around the world bringing the viewers into the up-close and personal world of the animal kingdom. Each episode typically runs with a theme from the fastest animals. Large and small, flying or running, to the oddly human habits some creatures have with us to the creepiest looking critters out in the wilderness. A lifelong animal lover, host Jarod Miller utilizes his zoology and animal behavior background to highlight the quirks and amazing talents of the animal species, often sharing his sometimes crazy adventures (he was sprayed by baby skunks smuggled into his mothers car), as he keeps the viewers on their toes with this fun, rough-and-tumble exploration. No creature too small, too large, too fast, or even too ugly is going to be forgotten in the informative and inspiring Animal Exploration with Jarod Miller.
