Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DogTown, USA is a story of the men and women who devote their lives to the healing and happiness of dogs - from every corner of the nation. Built on 33,000 acres of pristine land in Utah, DogTown, USA is the nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Each week, DogTown, USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Then, "DogTown, USA's" medical professionals provide unique personal care to each dog, beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. DogTown, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. DogTown, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. DogTown, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Career Day is a television program that introduces young adults to career exploration and awareness. Students often do not know what they want to do and are unsure of potential interests they may have that could be a career. Career Day provides an avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job, and experiences that led them to choose their career. To encourage students to make informed decisions, young adults must be introduced to career awareness, such as the concept that success in most careers requires education and training. As the National Alliance of Business recommended in its 1999 publication Preparing Young People for Tomorrow. Middle school is an ideal age at which to expose students to the challenging world of work. The programs motivational and inspirational message of each guest empowers audiences of all ages to investigate career opportunities.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pets.TV celebrates the pets we love and the people who love them. Pet News, Pet Care, Pet Health and Pet Lifestyles brought to you from the enthusiastic and caring eyes of children. Pets.TV is dedicated to bringing the public news, information, entertainment and a point of view that promotes the health and welfare of companion animals. At Pets.TV.com we believe pets are a precious gift and that: The solution to the problem of homeless pets is to have mandatory low cost spay /neuter programs. Every county and/or city should have a shelter that meets humane standards, promotes adoption and requires spay/neuter before adoption. We have a duty to work to improve the living conditions of mistreated companion animals and to raise public awareness about them. Public officials have an obligation to pursue policy initiatives and legislation that protect the health and welfare of companion animals. We strongly believe that most pet owners consider their pets to be an absolute part of their family and PetsTV.com will endeavor to reflect the joy, love and benefits they provide.
