Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Dog Town, USA", is a story of the men and women who devote their lives to the healing and happiness of dogs from every corner of the Nation. Built on 33,000 acres of pristine land in Utah, Dog Town, USA is the Nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Each week, their highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs, then their medical professionals provide unique personal care to each dog, in order to rehabilitate and unite them with a loving new home. The program is produced for ages 13-16 and will inspire young people to pursue their dreams, while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. The program educates and informs the audience about canine training techniques, and creating healthy environments for dogs. Experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know and care about these dogs and the heroes who do whatever it takes to give them a second chance.
