Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core
Programs(12)

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	FORD'S INNOVATION NATION Hosted by Mo Rocca of CBS Sunday Morning, is a weekly celebration of the inventor's spirit - from historic scientific pioneers throughout past centuries to the forward-looking visionaries of today. Each episode tells the dramatic stories behind the world's greatest inventions - and the perseverance, passion and price required to bring them to life. Featuring the "what if it never happened," "the innovation by accident" and a strong focus on "junior geniuses" who are changing the face of technology, this series will appeal to young viewers and their families.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Game Changers, hosted by Kevin Frazier, highlights professional athletes who use their public image to make positive changes in the lives of fans in need. The program offers a very positive opportunity to view sports figures in activities that reflect the ideas of good sportsmanship and civic mindedness. Profiled celebrities range from players who have set up charities for youngsters around the world to those who have put together foundations that support various initiatives in their own communities where they were raised as part of an effort to "give back". The show provides valuable lessons on the true meaning of sportsmanship and responsibility to society of those who have achieved great success. This program is specifically designed to further educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules

"Missing" is a weekly half-hour educational/informational series focusing on actual cases of missing persons. The series provides information and descriptions of missing children, including endangered runaways as well as victims of abductions. The show also presents peer-to-peer advice on safety in public places and in cyber space, including real-world examples of how to avoid potentially dangerous situations. The program emphasizes taking active responsibility for personal safety and promotes situational awareness, presented in a calm and non-threatening manner suited for teenagers.
