Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Give is an educational series that introduces viewers to the world of philanthropy through the stories of small charities making a big impact. The series features NBC correspondent and the founder of UNICEFs Next Generation, Jenna Bush Hager, esteemed actor Blair Underwood, and passionate celebrity philanthropists from film, television, music, sports and business who are all on a mission to inspire others to do good. In each episode, one of these celebrity ambassadors will visit two charities that use innovation, best practices, and dedication for change in their communities and the world. With the help of some of the countrys top foundations, we will meet these inspiring individuals to see how they do it through the eyes of our celebrity ambassadors.
