Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LAFF (comedy network) on D3 (SD), is a single free 24/7 over-the-air SD multicast platform. Produced for ages 13-16, this educational and informational program is hosted by wildlife expert Tim Faulkner. Viewers will be provided an eye-opening experience as Tim, animal expert and wildlife park operations manager, showcases the beauty and wonder of the natural world. Audiences will be brought closer to the natural world as Tim explores the habitats and adventures of creatures of all sizes, including a giant Galapagos tortoise, a baby wombat, the flying fox, and even a newly discovered species of birds. Due to a technical error at the LAFF TV Network, the following E/I series programming carried on LAFF (D3), displayed the requisite E/I symbol before each episode but did not display it throughout the program on 10/1/16, 10/8/16 and 10/15/16. LAFF TV notified this station that the technical issue has been resolved. Additionally, the affected programs were rebroadcast with the requisite E/I symbol as make goods provided by LAFF TV according to the schedule in the attachment to this report, which we are entering as a preemption, as per FCC staff advice. However, other than the E/I display problem, this program did air as regularly scheduled.
