Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>The Open Road with Dr. Chris was preempted on Sat., Nov. 5 due to College Football on CBS. It was made good on Sat., Oct. 29 at 11am. Chicken Soup for the Soul's Hidden Heroes and The Open Road with Dr. Chris were preempted on Sat., Dec. 24 due to local football programs. They were made good on Sun., Dec. 25 at 10am and 10:30am respectively. Due to a technical error, 12.5 hours of Bounce Network programming that aired between 9/10/16 and 10/15/16 did not contain the E/I symbol. The technical issue has since been resolved, and, with one exception on 11/05/16, all regularly scheduled Bounce E/I programming has included the E/I symbol as of 10/22/16. Bounce established new processes to ensure that this issue does not recur. To address any possible concerns about compliance with FCC requirements for E/I programming, Bounce rebroadcast the 12.5 hours of E/I programming that originally aired without the E/I symbol, for a total of 12.5 hours of E/I programming in addition to Bounce's regularly scheduled E/I programming. See attached Bounce make up broadcasts attachment. The FCC staff was notified of the error and the steps taken to resolve the error.</p>
