Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	5.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	5.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience		1 years to 10 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The objective of this animated character education series is to engage children up to the age of 10 with entertaining adventures that help them understand the importance of behaving in accordance with a strong value system. These lively programs are meant to support parents and teachers in their efforts to model and instill healthy values in children. They portray situations that children face in their everyday interactions, describing emotions honestly and in terms that children find relatable. Each episode explores a complex concept, such as the importance of responsibility or honesty, by defining the core concept and cleverly illustrating consequences that can result when these values are not internalized and practiced in daily life.
