| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | XPLOATION AWESOME PLANET will inspire and educate anyone interested in earth sciences. Our host, Philippe Cousteau, the grandson of legendary Jacques Cousteau, brings boundless energy to every location we visit. From magnificent mountains to violent volcanoes, this program takes an in-depth look at the unique and distinct features on planet Earth. We not only visit gigantic glaciers and behold their beauty but also discover why they formed, and how they shaped our landscape. Geological experts share their wisdom with Philippe, as we strive to understand places on the earth, inside the earth and above the earth. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | THINK BIG is a television series serving the educational and informational needs of children 13 to 16 years of age. The series is an effective learning tool for teaching children the importance of having a working knowledge of math, science and physics. The series features children actively solving problems using scientific principles while combining skill and creativity. The series also demonstrates real-world applications for math, science and engineering, proving the physical sciences can be useful, challenging and fun. Each episode presents an invent-off challenge, whereby teams of teenagers take up the challenge to invent a machine designed to perform a specific task in a limited amount of time for the purpose of promoting creative thinking and practical skills. Each episode delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and older. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | CALLING DR. POL is a weekly half-hour series that explores the fascinating occupation of veterinary medicine. Designed to educate and inform viewers aged 13-16 and the entire family this inspiring series invites viewers to share in the experiences of Dr. Pol. An enthusiastic and naturally-inclined and well-rounded scholar, Dr. Pol has been practicing veterinary medicine for over 35 years. Caring for more than 19,000 patients, Dr. Pol has seen it all. Specializing in large farm animals, Dr. Pol, his family and veterinary staff also care for animals of all shapes and sizes. Each week audiences will have a chance to understand the challenges and rewards of this fulfilling profession and learn that the work doesn't end at the clinic; Dr. Pol often takes his talents to the road by helping sick or injured animals on neighboring farms and ranches. With the added benefit of Dr. Pol's expert analysis and on-screen factoids, viewers will have the opportunity to learn about the biology and behavior of various domesticated animals and livestock. Unstoppable and unflappable, this Doc is a legend in the community and provides an entertaining view of the veterinary profession. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | ELIZABETH STANTON'S GREAT BIG WORLD provides dynamic core programming in the areas of particular concern to young teens; including global, social, educational, and wellness issues. Award-winning teen hostess Elizabeth Stanton and select celebrity friends travel around the world volunteering in areas of specific need - ranging from feeding the hungry in the slums of Kenya to bringing hearing aids to Vietnamese neighborhoods whose citizens have experienced high rates of profound deafness and hearing loss. Great Big World offers a dynamic television experience for teens - combining the exciting, fun and diverse experiences of world exploration with the life-changing volunteer opportunities available in these same areas. Various age-appropriate global issues are introduced to the viewing audience through in-depth and thoughtful interviews with Elizabeth, her travel buddies, and the friends they meet along their journey. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors in addition to educating them on where and how to find volunteer opportunities. |
