Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wild About Animals is a reality science series that is produced for children in the 13-16 age group, and is designed to educate, inform and entertain those viewers. This program fulfills its purpose by providing a high level of educational value. The structure of each show consists of four (4) different segments/stories which make for a varied, fast paced program. Through the use of dramatic, stunning footage combined with an engaging and entertaining narrative, the show creates a general tone that is particularly effective in connecting to the target audience. The level of detail in each show is also appropriate and the segments move quickly from one topic to the next.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Awesome Adventures is an educational and informational adventure travel program that targets the 13 to 16 year old age group, but is also a highly entertaining program for a more general audience. With a host and the use of young guides from a specific locale, it is ideal for the "tween/teen" market. This program is fast paced, and provides information which encompasses many aspects of the location. It is produced in a contemporary style, and features both historical and cultural information, in addition to an action adventure. The introduction about the specific food, music, geography, history and environmental issues as well as popular recreational activities of the locale, make for a most entertaining program.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Save Our Shelter is a series focusing on the "rescue" of animal shelters and pets in need across America. Each week, hosts Rocky Kanaka and Rob North, with the help of local community members, transform rundown shelters into highly functioning pet showplaces in the hopes that a new facade will ultimately result in more adoptions and more lives saved. Produced for children 13-16 years old, Save Our Shelter will inform young people about the urgent need for pet adoption throughout the United States and how providing a clean and well-equipped home is essential to a pet's healthy lifestyle. Save Our Shelter will demonstrate to young people that the proper care of pets reflects our best human qualities. By expressing this ultimate example of kindness, teens will learn an important educational lesson that will stay with them for life.
