Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a children's travel program featuring the natural geographic wonders, indigenous cultures, native wildlife and unique adventures of Australia and other surrounding countries as seen and experienced through the eyes of youth. Filmed on location, Boomerang's young hosts share their first-hand discoveries by conducting interviews, taking unusual tours, and designing their adventures based on viewers' special requests. Children learn geography, exposure to other cultures and appreciation for the world in which they live. Episode features include: meeting the world's oldest dog, exploring Mayan pyramids of southern Mexico, and traveling to a tiny island in the Timor Sea to visit a family who lives there. This show aired on the station's tertiary digital channel 14.3. Due to a technical error, which has been corrected, the E/I bug did not air during this program on March 4, 5, 11, 12, 18, 19, 25, and 26.
