| Digital Core              | Question   |                                  | Response |
| Programming               | State the average number of hours of Core Programming per week broadcast by the station on its main program stream   |                                  | 3.19     |
|                           | State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream   |                                  | 168.0    |
|                           | State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:   |                                  |          |
|                           | Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? |                                  | Yes      |
|                           | Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program           |                                  | Yes      |

stream) did not consist of program episodes that had already aired within the previous seven days either on the

station's main program stream or on another of the station's free digital program streams?

# Digital Core Programs(13)

| Digital Core Program (1 of 13)   | Response   |

#### Age of Target Child Audience from

13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

Steal the Show provides CORE programming in the areas of music, music composition, the music recording process and musical instruments. With schools across the country cutting funding to music related programs, Steal the Show fills an important void. Students will be empowered with the knowledge and skills they will broaden and hone.
